Canyon Ridges Beach Time Baby  
"Malibu"

Malibu is a very special girl for many reasons. She is Tommy's and Samantha's first Bred-By girl and she is also a Delta certified therapy dog. She has the best "show dog" personality and is a true 'look at me' kinda girl, but when she has her therapy jacket on, she is all business. Malibu will be heavily shown in 2010, so be watching for her in a ring near you.

Abby is a very sweet and special girl and has made us very proud. Two weekends later, she won her class and Winners Bitch to achieve her first point. She has made a great Mom so far to all of her puppies!
